

Let us help you grow!

Rematee has a network of over 1,700 doctors world-wide who regularly recommend that their patients sleep on their side.

We would like to inform doctors in your area that you are now part of the Rematee team!

The more doctors are aware that you carry positional therapy products, the more they will refer their patients to your location.

We would like to send your referring doctors:

a bundle of 50 brochures

our quarterly newsletter

a reference guide

a personalized flyer
